

## CANANEA TROUNCES BISBEE IN TWO BALL GAMES

New Umpire of the Cactus League Officials—A Close Game.

Cananea, Mex., April 18.—Cananea defeated Bisbee by a score of 7 to 5, in Sunday's ball game. At the time the game was being played, the weather was hot and the game was interesting throughout. It was real baseball and the fans shouted until their throats hurt.

The game lasted for two hours and 19 minutes and was a game every minute of the time. Goyhenex, the new umpire of the Cactus league, officiated and did good work. His work is not nearly as bad as his name.

The score: R. H. E.  
Cananea..... 7 11 3  
Bisbee..... 5 9 6  
Batteries—Cananea, Gutierrez, Bob Whaling and Bert Whaling; Bisbee, Marshall, Grindel and Weisel.

**BISBEE LOSES SATURDAY GAME TO CANANEA**

Bisbee, Ariz., April 18.—The inability to hit Max Reardon in pinches cost Bisbee the first game in the exhibition series by the score of 6 to 1 at Cananea on Saturday. Hanson allowed but nine hits, but the combination of errors in the fifth inning allowed Cananea five runs. Cananea inflicted three fast double plays.

J. Goyhenex, the new umpire, arrived here Saturday in time for the Bisbee game.

## TWO UMPIRES FOR CACTUS LEAGUE

Vic Walling Secures a Man With Name Easier to Write Than Pronounce.

From Los Angeles, Cal., and Tuscaloosa, Ala., respectively came Jack Gehayneux and M. J. McLaughlin at the bidding of Vic Walling, of Cananea, to become the official umpires of the Cactus league. From all accounts, the worst feature about Gehayneux is his name, which is decidedly easier to write than to pronounce. But that is a trivial matter which easily will be straightened out upon his arrival.

The other umpire whom Walling has sent for, McLaughlin, recently showed his class when he was called upon to umpire a game between two of the big league teams which played at Tuscaloosa on the training trip. Reports and private information has Mac all to the good.

Gehayneux reported at Cananea in time to umpire the exhibition games there with Bisbee on April 16 and 17, but McLaughlin has been delayed and will be here soon.

## SANTA FE BASEBALL LEAGUE IS THE LATEST.

A Santa Fe baseball league, comprising the towns of Amarillo, Tex., and Clovis, Belen and Albuquerque, N. M., has been formed, and a regular schedule of games will be played and a pennant awarded.

James Kieley, master mechanic at Clovis, was the chief factor in the successful formation of the league, and Clovis is the first town in which a team was organized.

**QUALIFYING GOLF ROUNDS ARE POSTPONED A WEEK.**  
The qualifying round for the Country club golf championship did not start Sunday as originally planned, but will begin next Sunday, when a number of the club players will be home from east Texas and the east. The course at the club is covered with players this week who are getting in form for the qualifying round Sunday.

**DOUGLAS BESTS TUCSON.**  
Douglas, Ariz., April 18.—The local high school defeated the Tucson high by 1 to 0 Saturday afternoon at Sportsman's park. Spikes struck out 19 of the Old Pueblo players. Tucson took the first game a week ago.

## WORK TO RESUME ON MEXICAN MINE

Properties of Cherokee Goldfield Co. to Be Worked Steadily.

It is reported that work will be resumed shortly at the properties of the Cherokee Goldfields, Limited, at San Julian, in the northwestern part of Durango. The property is equipped with stamp mills and all modern equipments. Recently, it is said, some rich ore bodies have been uncovered running high in gold. The company is controlled by English capital.

It is a few miles northwest of Dulles, Nombres mines, owned by the French company of that name, of which Marquis Munn, of Paris, is president, and Thomas O'Keefe is superintendent.

Heretofore these properties could only be reached over precipitous trails by way of Guanacavi, but now the Parral and Durango railway has reached Ojitos, beyond Mesa de San dia, within less than a day's horseback ride from these mines.

**ACTIVE MINING AROUND MARFA.**  
Marfa, Texas, April 18.—The Last Chance mine, owned by Mr. Wright and the Young brothers, of Shafter, is being worked and it is said there are many tons of valuable ore in sight. The mine is about 25 feet wide at a depth of 90 feet. Shifments of new ore from the 60 foot level showed the ore to be of a high value mineral. It is a dry mine and easily worked. There are about 2000 tons of pay ore on the dump. Waiting for working the mine is plentiful and convenient. It is said that this mine will probably repeat the history of the old Chilo mine, which was so very remunerative to its owners.

**LONDON COMPANY TAKES OVER A CHIHUAHUA MINE.**  
Chihuahua, Mex., April 18.—The news has reached here from London that the Oceana Consolidated company, Limited, of London, has taken over the controlling interest in the English mining corporation, the Palmarco and Mexican Gold Fields, Limited, and on May 1 will take charge of the latter concern's mines near Chihuahua, Chih. For this controlling interest the Oceana company will undertake to erect a 200 ton mill and carry out a scheme of development for the mine by its own staff of engineers, who will soon arrive at the mines.

The Palmarco company has been operating the mines near Chihuahua for about 20 years.

**SOME RICH ORE SHIPPED FROM ARIZONA MINES.**  
Word comes from Kingman, Ariz., that two shipments made the 6th of this month from two gold properties in Mohave county establish new records in that rich gold district. One of 600 pounds of concentrates, valued at approximately \$25,000, represents 11 days' run of the 200 ton mill of the Gold Lease mine, under the management of Leslie Phillips, an old El Pasoan. The other shipment was made from the Tom Reed mine in the same district, and consisted of 150 pounds of bullion of the value of \$37,000, and represents the result of 12 days' run in the 10 stamp mill.

**MINE IS SHUT DOWN FOR REPAIRS AT GLOBE.**  
Globe, Ariz., April 18.—As a result of repairs being made on the American Commercial smelter at Copper Hill, 125 miners were laid off. Only the seventh level of the mine is working at present. The men will probably be off a month.

**CHAMBERLAIN'S STOMACH AND LIVER TABLETS** will brace up the nerves, banish sick headache, prevent drowsiness and invigorate the whole system. Sold by all dealers.

## EX-EL PASOANS IN THE GAME

Three Men Who Have Made Good on the Shreveport Team.

We never miss the water until the well goes dry.  
Last year a young college chap was playing third for El Paso and scooping up big money. He was named Shreveport. That was "Frenchy" Lamar, the pride of the Pacific coast towns and the clever kid with the windmill peg to first. On the keystone bag during the season was one Galloway, long of form and longer of arm. Gal. grabbed off grounders as no one has ever done it on that same second base before or since. Then in left field was the silent sphinx, Olsen Mills, the most consistent player and hitter on the El Paso club.

There were others, but these three chaps were picked to win along with the invincible Wingo Anderson. When the Texas league season opened at San Antonio Saturday with Shreveport and the Broncos presenting their sketch of real baseball as it was played, these three El Pasoans appeared in their old positions, with the exception of Mills, who is in the center truck patch instead of at the left station. For three El Paso team men to go out and make good on one club is going some and shows the class of the last year's team. Of Anderson there is nothing to be added. He has made it stick with the fastest club in the major league at the present time.

San Antonio won the game, 5 to 1, but Shreveport got away without anything to be ashamed of. The three twins from El Paso got away with their part of the opening performance. None of the trio got hits off of pitcher Ables, but neither did the others of the Shreveport team, with the exception of Gear and Gardner, there being but two hits made by Shreveport in the game. Lamar was up twice, but got nothing better than a pair of putouts. He had one putout to his credit in the field and no errors. In fact, none of the local boys made a single error during the game. Galloway had the best record and received the only mention of any of the three. He was at bat three times, had three outs and three assists to his credit. Mills was up four times but did not have a single chance in center field. In the Express of Sunday the comment in the "dopelet" column says: "That long armed Galloway party is a cutpurse around second base."

**BIG CROWDS HEAR THE BAND CONCERT**  
Popular Program Is Rendered in Cleveland Square Sunday.

Almost two solid hours of good music entertained El Paso Sunday afternoon. It was the season's first free, open air concert in Cleveland Square, to be continued weekly throughout the summer months.

A large band of Mexican musicians under direction of J. B. Kindig pleased with a semi-popular program, containing two grand opera medleys, the two Mexican compositions, and an American intermezzo.

Especially pleasing were "Vienna Beauties," a dainty waltz, a Mexican serenade, "Passion Flower," and the overture, "Zampa," the latter containing some parts of exceptional warmth. Verdict thrust by his "4's" and the strains of "Zampa" completed the program. A conglomerate French affair by Suppe lacked there enough for popular appreciation.

The El Paso municipal band concerts are destined to become popular Sunday afternoon attractions for all classes, by virtue of their freshness and the perfection of their rendition.

Evening concerts each Sunday by the municipal band of Juarez already are under way in the plaza of the Mexican city.

**TAFT SAYS ONE TERM IS ENOUGH**  
Statement Made as a Joke at Fraternity Banquet in Capital City.

Washington, D. C., April 18.—That one term as president of the United States is enough for him was the statement Saturday night of president Taft at a banquet of the Psi Upsilon fraternity, which he joined at Yale. That the president was speaking facetiously, however, will also be stated if anyone considers the announcement in a serious light.

The statement was made jokingly at a banquet during his speech on the hardships of a president's life. President Taft also attended a banquet given by the Bankers' association of the district of Columbia, Saturday night. He did not partake of the refreshments at either banquet.

**BIG CONCERN ORGANIZED TO MINE IN GUADALAJARA.**  
The Cincio Minas company, with a capital of \$500,000, has been organized by Mrs. Marcus Daly and associates, says the Guadalajara Times, to operate the famous old Cincio Minas in the Huatlapilla district of Jalisco, Mex., recently purchased for \$150,000. The company will expend \$500,000 pesos in betterments.

## SAM LANGFORD HAS "ARRIVED"

Negro Who Begged a Match Recently, Now Has Many Offers.

Sam Langford, the black fighter who passed through here Saturday afternoon en route from California to Philadelphia, has come into his own in a remarkably short time.

Langford has at last worked himself out of the "starvation" class. Where a few months ago the black boy was going around with his hat in his hand, begging for any old kind of a fight, he now is besieged with big offers from promoters in this country, with the Europeans and Australian matchmakers also making frantic bids for his services.

Joe Woodman's inside coat pocket was bulging with telegraphic offers. "Langford is going to be a very busy young man from now on," said Woodman, the manager. "Our present plans are to make the Ketchel and Kubiak fights after which we will come straight back to Los Angeles and meet whoever Tom McCarey picks out for us. A match with Tommy Burns is more or less in the air, although it appears to be a certainty that the men will eventually meet."

Langford's next engagement will be in the Quaker City, where he is scheduled to box six rounds with Stanley Ketchel, the middleweight champion, on April 27. Following this engagement Langford will go to Pittsburgh for a short bout with Al Kubiak early in May. He will then return to the coast, having practically agreed to fight in both May and June for promoter McCarey at Los Angeles.

McCarey took out an accident policy on Langford for \$5000 just as he left Los Angeles, says the Examiner.

"So you are coming back to fight for me again soon, are you?" asked the promoter.

"Yes sah, dis town looks mighty fine to me," answered Sammy.

"All right, then, just step over here to the desk and we'll take out an accident policy on you. I can't afford to take any risks. You're a very valuable asset to me, you know," added uncle Tom.

With a look of wonder in his eyes, Sam followed the fight manager to the insurance department, where, with a large crowd of the ever present curious looking on, an accident policy on Samuel Langford for \$5000 in favor of T. J. McCarey was made out. Langford's name was attached to the policy in the presence, the negro making his "mark" just beneath the signature.

**"COUNT US ALL" CENSUS**  
CAMPAIGN ENDS WEDNESDAY.  
The work of the volunteer census workers engaged in taking the census of El Paso will be completed Wednesday night. The result of the census will not be known until it is given out from Washington. It is not known just when the figures of the volunteers will be compiled.
